UNSHAKEABLE FAITH IN A VOLATILE WORLD

GREETINGS FEARLESS INFLUENCERS!

My name is Pastor Muriithi Wanjau, Senior Pastor of Mavuno Church and Founder and lead visionary of the Fearless Summit, and I am extremely excited to be welcoming you to my favorite time of year at Mavuno Church – the Fearless Summit.

The Fearless Summit is our annual gathering of church and marketplace leaders passionate about becoming, raising, and equipping disciples who bring much needed Godly change to every sector of society.

I am particularly excited to be inviting you to our 15th edition of this summit, themed '**UNSHAKEABLE: Building Resilient Faith In A Volatile World**'. Featuring insightful speakers and rich plenary interviews, prepare to be inspired in your faith, challenged in your thinking, and equipped to become the fearless influencer God created you to be!

Through this document you will find useful information that will help you navigate the ins and outs of the 2024 Fearless Summit.

With that said, welcome, and I hope you are ready to become UNSHAKEABLE!

EVENT DETAILS

This year's Fearless Summit will take place between Thur 4th - Sat 6th July 2024, at Mavuno Church Hill City Headquarters, on the outskirts of Nairobi.

Please note that on each morning of the summit, you are welcome to join in a time of prayer from 6-7am (EAT). And thereafter the official program will run from 9am to 4pm (EAT).

On Sunday 7th of July, we invite you to join us for what we call FEARLESS SUNDAY – a special service where all the Mavuno Churches across Kenya come together for one large celebration service. The service runs from 10am – 12:30pm.

To fully maximise your experience at the summit, we recommend you arrive by Wednesday 3rd July and leave on the evening of Sunday 7th July.

REGISTRATION

Tickets for the Fearless Summit are available for purchase on our website - www.fearlesssummit.org.

The ticket cost is Ksh. 5,000/= (approx. USD 40) per person. A group rate is also available at Ksh. 45,000/= (approx. USD 340) for a group of ten.

Upon registration, you will receive an e-ticket with a QR code, please take a screenshot of it and have it with you, it will be required to admit you to the Summit. Please do not share your ticket or QR code with anyone as it only admits one person.

FOOD & BEVERAGE

Tea and lunch will be provided at the summit. However, if you would like to supplement the food provided, there are various food vendors available with different meals and drinks.

ACCOMMODATION

Fearless Summit happens in the general Athi River area, so it is highly advised to secure accommodation nearby. We have a team that is working on finding self-sponsored accommodation for delegates who request it early. For help with self-sponsored accommodation, visit bit.ly/fearlessaccommodation no later than Thursday, 20th June, 2024.

TRAVEL DOCUMENTS

For most countries, a passport and a Yellow Fever certificate are required at the border points. For those part of the East African Community, you can use your National ID Card - you will however need an inter-state pass. This document is better obtained before reaching the border.

VISA INFORMATION

In case you need a visa to facilitate your travel to Kenya, we recommend applying through the new online platform at Kenya Visa Website.

www.etakenya.go.ke/en

The application fees and other details will be available there, and we suggest you complete this process as soon as possible. Due to the high volume of applications, early submission is crucial.

UPON ARRIVAL

Make sure to download Bolt or Uber app on your phone, they will come in handy for travel. Bolt and Uber accept both cash and card payments. If getting an XL vehicle (carries 6 people), go for Bolt rather than Uber.

For those travelling by bus, Athi River is located 32 kms from Nairobi town, and for those flying, the Jomo Kenyatta International Airport is 18 kms from us. For your convenience, you may ask that the driver uses the Mombasa Road Expressway to your destination, at your own cost. Highest charge is KES 490.

If you have a host in Kenya, make sure you have communicated your arrival date and time clearly, and have shared your trip itinerary and agreed on how you will get to their home.

CONNECTIVITY

For ease of communication, we highly recommend you get a local SIM card upon arrival, this will be particularly helpful to access local data networks, especially if you need a taxi-hailing service. You will need identification to get it registered.

For data, you can find Safaricom, Airtel and Telkom shops outside Terminal 1A at JKIA. A SIM card costs Ksh. 200, and debit cards can be used for purchase.

If you come by bus, please ask an official of the bus company to show you the nearest place where you can buy a SIM card, however be cautious with and around strangers.

CONVERT YOUR MONEY

As much as possible, and for your convenience, we highly recommend changing your money to KES as soon as possible. Once at the summit, any purchases for books, merchandise meals and so on will be in the local currency.

In the event you don't have access to KES in your country, consider converting to US dollars first, and upon arrival to Kenya Shillings. There are several forex bureaus at the airports.

DRESS CODE

The weather in July can be unpredictable – sometimes it gets chilly, though the sun often pops out. Carry some warm clothing, so you are comfortable with an easy to remove jacket/sweater in case the weather warms up.

Being a 3-day event, with a lot of teaching, it is important to dress comfortably and decently. Dress in such a way that you will be comfortable enough to sit through multiple sessions. Stay away from stilettos, tight tops (for ladies) suits & ties (for men). Keep it as casual and comfortable as possible.

FEARLESS VILLAGE

At the summit, sponsors are invited to exhibit their products and services through the three summit days at what we call the FEARLESS VILLAGE. Contact us on **+254 725 396 765** or email us at **info@fearlesssummit.org** to register your interest in exhibiting, and one of our team members will contact you.

Welcome, and we look forward to hosting you,

The Fearless Summit Team.
